

STATE OF MINNESOTA
COUNTY OF CARVER

FIRST JUDICIAL DISTRICT
DISTRICT COURT
PROBATE DIVISION

Court File No. 10-PR-16-46
Judge Kevin W. Eide

In re:

Estate of Prince Rogers Nelson,

ORDER GRANTING MOTION TO
ALLOW FILING OF SNJ'S LETTER
BRIEFS UNDER SEAL

Decedent.

The above-entitled matter came before the Court on June 14, 2018, without a hearing. On June 13, 2018, the law firm of Skolnick & Joyce, P.A. filed two letter briefs on behalf of Sharon Nelson, Norrine Nelson, and John Nelson with the Court. Contemporaneously, it filed redacted versions of the letters publicly and un-redacted versions of the letters under seal.

The letter briefs were filed in both redacted and un-redacted forms due to the inclusion of transcripts from confidential hearings and certain sensitive business information. The documents were filed under seal out of an abundance of caution regarding potentially sensitive information.

ORDER

The un-redacted versions of SNJ's June 13, 2018 letter briefs to the Court may be filed and kept under seal until further Order of this Court.

Dated: June 14, 2018

Kevin W. Eide
Judge of District Court
